Unveiling of Tablet Monday Set as Part of O. W. U. Commencement.

By Bruce Moore Leased Wire
COLUMBUS, O., June 4.—The memory of the late Frank B. Willis, United States senator from Ohio, will be honored at Delaware next Monday by the university on whose grounds he made his last public appearance and where he died at the height of his political career.

Ohio Wesleyan university, where Senator Willis was a favorite, will unveil a memorial tablet to him during the eighty-sixth annual commencement which opens Friday.

The memorial to Willis is a bronze tablet and bears, in relief, the likeness of the late senator and the inscription in hand-wrought letters:

"In memory of Frank B. Willis 1871-1928, Teacher—member of congress—governor of Ohio—Ohio state senator—Christian statesman—Friend and honorary alumnus of Ohio Wesleyan university."

In Prominent Place
The tablet is to be placed in the main corridor of university hall just outside the office of President Edmund H. Soper of Ohio Wesleyan.

The Willis memorial is the work of Prof. L. F. Frey of Ohio State university.
The death of Senator Willis on the night of March 20, 1928, stirred all of Ohio and the nation. Willis was in the midst of a bitter political battle. He sought the support of the Ohio Republican party in his campaign for the Republican presidential nomination. Herbert C. Hoover also was bidding for that support, coming into Ohio for it and backed by the then Congressman Theodore Burton. Walter F. Brown of Toledo, now postmaster-general, and Thad Brown of Columbus.

At Home Town Rally
Delaware was intensely interested in Willis' efforts and planned a home town rally the night of March 20 to do its favorite son due honor. The event was held in the chapel of Ohio Wesleyan university and all of central Ohio sent delegations.

Willis was seen to rise from his seat on the platform and go out. A few minutes later the crowd that had been cheering him was astounded at the news that he had died.

He passed away near the spot where the university is placing the memorial to him.
While Ohio Wesleyan is thus honoring Willis' memory, Ohio State university also will be paying homage to Dr. William Osley Thompson, president-elect of Ohio State university. Professor Frey also designed the Thompson statue, which will be life-size.

Ohio Wesleyan Dean Tells of Experiences

William L. Sanders, dean of men at Ohio Wesleyan University, told Marion historians of his experience as a dean, when the club met in Hotel Harding for its weekly luncheon.

Although admitting this is a decidedly "faster" age, Dean Sanders did not censure the youth of today for his actions. He said they are venturesome, a good trait. He said they respond to fair play and his heart.
"If anything," the dean continued, "they are not quite so bad as they were when I was a boy."

City Library Makes Call For Missing Magazines

BACK copies of magazines which are the life of many households, valuable because they are too valuable to discard and accumulate too rapidly for comfort, will prove a boon to librarians at Carnegie library where there is ever a demand for reference volumes.
In a recent appeal several magazines were contributed and through the response a few files were completed. There still remains a number of uncompleted files for which a request for the missing numbers has been made by Miss Helen Kramer, librarian.

Copies of popular fiction as well as standard magazines are also most acceptable at any time and can always be used at the library. The problem of transporting the magazines or books will be taken care of by the library executives by placing the library at any time.

Missing copies of magazines which will help fill out the files are: Asa, Aug. 1921 and Feb. 1922; Current History, Oct. 1918, Oct. 1920, July 1921, Aug. 1921, Sept. 1921, Oct. 1921, Nov. 1921, Feb. 1922, March 1922, April 1922, July 1922, Nov. 1922, Sept. 1923 and Jan. 1930; House Beautiful, May 1922, Jan. 1923, Dec. 1910; International Studio, Feb. 1910, Feb. 1919, Nov. 1919, Dec. 1919, March 1920, Feb. 1921, April 1921, Jan. 1922; Liberator, Nov. 1922, March 1923, Oct. 1923; Library Journal, Nov. 1, 1928, Oct. 1918, May 1919, March 15, 1920; Missionary Review, Aug. 1922, Nov. 1922, July 1923, Sept. 1923, March 1924, Nov. 1924; National Geographic,

Considerable remodeling work was done in May, according to Clerk Larkin's records. More than a dozen of the permits were issued for remodeling work on dwellings, garages and other buildings.

Improve Corners at Pearl, Church Streets

Sharp corners at the intersection of Pearl and Church streets are being cut away by the city service department, as part of a program of street alteration now being developed in that department.
Traffic entering Church street off Pearl street was formerly obliged to swing far into Church street to complete the turn. When the corners are cut away, the turn can be made with more ease and safety, according to D. J. Harlow, service director.

ATTORNEYS PREPARE FOR OUSTER BATTLE

Patrolman's Appeal in Dismissal To Be Heard Tonight by Commission.

Final preparations for the hearing of protests brought by former Patrolman Ernest E. Cleveland against his discharge from the city police force and by Safety Director T. H. Sonnsmaier

were being made by attorneys of both prosecution and defense today.
The hearing will be held in the municipal courtroom tonight at 7 p. m. with members of the civil service commission presiding. Attorney L. E. Myers will represent Cleveland, while City Solicitor Carter Patton and City Prosecutor John Windemann will represent the city.
Cleveland recently was discharged from the force after charges of conduct unbecoming to an officer of the law were brought against him. He is charged with intoxication and disorderly conduct.

His notice of appeal was filed with the commission and Director Sonnsmaier within 10 days after his discharge papers had been sent him.

George E. Waddell, L. T. Young and W. N. Harder are the members of the commission expected to preside at the hearing.

DON'T BE A SLAVE TO LAXATIVES

Mrs. E. Gebhard, 301 W. 5th St., Newport, Ky., says, "My husband and I were actual slaves to laxatives, continually doing ourselves with something to relieve constipation. Just couldn't stop. It got to be a habit. We even gave our children laxatives in candy form. Little did we realize that we were aggravating and not reaching the cause of the constipation. Headaches, biliousness, indigestion and constipation still continued.
Our druggist recommended Carter's Little Liver Pills. He said these little vegetable pills would tone up the liver, stir up the bile, which, acting as an antiseptic, keeps the food from rotting, and poisoning the blood. They are not habit forming and thoroughly cleanse the upper and lower bowel. Laxatives fail to do this. Carter's Little Liver Pills are sold at all Druggists in 25c red paper packages."

LITTLE STORIES OF FAST SUCCESSES

[NUMBER SIX] HELEN MORGAN

Three years ago, she was sitting on top of a piano... singing in an obscure night club. Today, she's sitting on top of the world... starring in New York's most glamorous hits.

A fast success?... Yes!... Because she gave the old town a new thrill. So, too, did that other young entertainer, OLD GOLD.

Three years ago OLD GOLD opened in the heart of New England. Advance notices rolled in that here was a sure-fire hit. A cigarette that gave a new taste-thrill to smoking... made of better tobaccos, free from throat irritants, "without a cough in a carload!"

Were advance reports correct? We'll say they were! O. G. is playing to the fastest growing audience in cigarette history.

ON OCT. 2, 1927 THE FIRST SHIPMENT OF OLD GOLDS REACHED CLEVELAND. IN JUST TEN WEEKS IT WAS ONE OF THE FOUR BIGGEST SELLERS THROUGHOUT THE STATE OF OHIO.
